Denville, NJ

Christopher L. Musmanno, Esq., Chair of the Personal Injury Department and Certified Civil Trial Attorney with the law firm of Einhorn, Barbarito, Frost & Botwinick, PC, Denville, NJ, announces a \$100,000 settlement for a rear end collision.

On November 25, 2014, the plaintiff was stopped and struck in the rear by another vehicle. She injured her back primarily and herniated a disc at L5-S1 which required surgical intervention. She first sought conservative care with her primary care physician and her orthopedist, as well as with a rehabilitation and physical therapy doctor. When conservative care failed to relieve her symptoms, a neurosurgeon performed left L5 hemilaminectomy, facetectomy and foraminotomy with decompression of the nerve roots. No hardware was used in connection with the surgery. The case was settled quickly for the \$100,000 policy limit, which was the maximum amount of collectible insurance under the facts of the case.
