

\$125,000 Settlement for Workers' Compensation Case

Denville, NJ

Thomas F. Dorn, Jr., certified workers' compensation and certified trial attorney at the law firm of Einhorn, Barbarito, Frost & Botwinick, Denville, NJ, announces a \$125,000 settlement for a workers' compensation case. The Petitioner worked for the State of New Jersey when she tripped over a computer wire and injured her knee and low back. She underwent surgery for her injuries. The defense's doctor did not relate the low back injury to the accident but after Mr. Dorn's argument for his client the judge included the injury in the settlement.
