

\$130,000 Settlement for Car Accident

Denville, NJ

Christopher L. Musmanno, Esq., Chair of the Personal Injury Department and Certified Civil Trial Attorney with the law firm of Einhorn, Barbarito, Frost & Botwinick, PC, Denville, NJ, announces a \$130,000 settlement for injuries sustained in a car accident. Plaintiff was involved in an automobile accident in or about April of 2012, that was not his fault. However, for reasons that only he can explain, he did not receive any treatment whatsoever for what proved to be a neck injury for approximately six months. Six months after the accident he began to complain about neck pain and ultimately underwent anterior cervical discectomy and fusion surgery. Despite the six month delay in treatment, the plaintiff settled his case prior to trial for \$130,000.00.
