

\$150,000 Settlement for Sidewalk Fall

Denville, NJ

[Christopher L. Musmanno](#), personal injury attorney with the law firm of Einhorn, Barbarito, Frost & Botwinick, Denville, NJ, announces a \$150,000 settlement. The plaintiff fell on ice at his apartment complex. This fall aggravated his pre-existing kidney condition from a Grade 4 Kidney Failure to Grade 5, requiring permanent dialysis. The defense argued that the plaintiff's condition was already so bad it would have deteriorated to end state renal disease irrespective of the fall and that the fall did not aggravate the condition. However, Mr. Musmanno was able to settle the case for \$150,000.00
