About Best Lawyers

Since it was first published in 1983, Best Lawyers has become regarded as the definitive guide to legal excellence. Best Lawyers lists are compiled based on an exhaustive peer-review evaluation. More than 116,000 industry leading lawyers are eligible to vote (from around the world), and Best Lawyers has received more than 17 million evaluations on the legal abilities of other lawyers based on their specific practice areas around the world. Lawyers are not required or allowed to pay a fee to be listed; therefore, inclusion in The Best Lawyers in America is considered a singular honor.

Lawyers included in the Best Lawyers lists are divided by geographic region and practice area. They are reviewed by their peers and undergo an authentication process to ensure they are in current practice and in good standing.
