

\$275,000 Settlement Following Motor Vehicle Accident

Christopher L. Musmanno, personal injury attorney with Einhorn, Barbarito, Frost & Botwinick, reached a settlement in the case of a Plaintiff, age 48, who was injured when a driver struck her vehicle from behind. Plaintiff suffered injuries to her head, neck, and back and experienced dizziness, nausea, and lightheadedness in the days following the accident. After conservative treatment failed to heal her injuries, Plaintiff underwent an epidural steroid injection and neck surgery. The case was settled for a total amount of \$275,000.
