

\$300,000 Settlement for Motor Vehicle Accident

A 42 year old Plaintiff was rear ended by a commercial delivery van on the New Jersey Turnpike Hudson Bay Extension Roadway. The impact caused her vehicle to propel forward into the vehicle proceeding ahead of her. After attempting to resolve her injuries through conservative care failed, Plaintiff underwent an anterior discectomy and fusion surgery in her neck.

The case settled on September 13, 2019 for \$300,000.
