

\$500,000 Settlement In Dog Bite Case

Plaintiff, age 50, was attacked by defendants' dog, while she was a guest in their home, causing extreme damage to her face. She was informed that her recovery will be complex and will take quite a bit of time. After some healing, she will require platelet-rich plasma (PRP) injection therapy and likely laser scar revision surgery. The case settled for a total amount of \$ 500,000.00.
