

Automobile/Motorcycle Accidents

Injury Lawyers Experienced with Motor Vehicle Accidents

Our New Jersey [personal injury attorneys](#) represent individuals injured in accidents involving cars, trucks, and motorcycles. When you are involved in an automobile accident, you need to review complex insurance policy terms and interpret legal terms and phrases that are often unfamiliar to the average person.

The personal injury attorneys at Einhorn, Barbarito, Frost & Botwinick, PC, are fully familiar with the law concerning no-fault medical expense payments (PIP), the limitation on lawsuit option (verbal threshold), as well as uninsured/underinsured motorist coverage. The personalized attention we give our clients and the professional handling of their cases allows you to rest assured that while you recover physically, your legal representation and the protection of your financial assets are our top priority. We work to maximize your recovery for your:

- Permanent injuries;
- Pain and suffering;
- Lost wages; and
- Property damage.

Through our experience, commitment to success and dedication to clients, we have recovered millions of dollars on behalf of injured clients and families who have lost a loved one. We handle personal injury and wrongful death lawsuits arising from all types of accidents, including:

- Car accidents;
- Rear end crashes;
- Side-impact collisions;
- Truck wrecks;
- Motorcycle accidents; and
- Other auto accidents.

Our attorneys deliver a comprehensive knowledge of the medical, insurance and legal concerns that arise when a driver or passenger suffers injuries in an auto accident. We handle cases involving serious injuries, such as a head injury, spinal cord injury, fractures and other complex injuries.
