

Best Life Quotes Matheu D. Nunn on Key Reasons Couples Divorce

Einhorn Barbarito partner [Matheu D. Nunn](#), who co-chairs both the firm's Family/Matrimonial practice and its general Appellate Practice, was quoted in an article in Best Life titled "Divorce Lawyer Reveals the Biggest Reason Today's Marriages Are Failing." The article explores the key reasons couples divorce, and cites the Centers for Disease Control and Prevention for the statistic that about 22 percent of first marriages end within the first five years.

Mat said he's noticed that there is an imbalance in roles in a lot of broken marriages, and, as he points out in the article, that some of this is rooted in antiquated notions of what marriage should look like: Some men grew up watching their mothers take care of their fathers, and so they romanticize the idea of this kind of dynamic.
