## NJ Injury Lawyers Experienced with Dog Bites

Thousands of people are bitten by dogs every year. Being bitten by a dog can cause lasting physical as well as emotional injuries. The owner of the dog may be responsible for your injuries.

Dog owners are represented by their insurance companies who have the owners best interest in mind. It is important that you have an aggressive advocate to represent your interests.

Given the complexities of dog bite cases, we suggest you contact one of our experienced personal injury attorneys at [973-627-7300](tel:973-627-7300) at Einhorn Barbarito today. Our injury lawyers handle dog bite cases throughout New Jersey.
