They have earned this recognition with their remarkable knowledge of the law and their relentless dedication to their clients and to Einhorn Barbarito.”

Firms included in the 2018 “Best Law Firms” list are recognized for professional excellence with persistently impressive ratings from clients and peers. Ranked firms, presented in tiers, are listed on a national and/or metropolitan scale. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas for their abilities, professionalism and integrity.

The 2018 rankings are based on the highest number of participating firms and highest number of client ballots on record. To be eligible for a ranking, a firm must have a lawyer listed in *The Best Lawyers in America®*, which recognizes the top 4 percent of practicing attorneys in the United States. More than 13,000 attorneys provided more than 1,000,000 law firm assessments and 7,500-plus clients provided more than 65,000 evaluations.
