

# Einhorn Barbarito Partner Answers NJ.Com Query Regarding Taxes Owed On Inherited Stock

---

Q. My aunt has me in her will to receive her company stocks. She has accumulated them over her work career since the 1950s. If the value is \$200,000 upon her death, what would I have to pay in taxes?

Einhorn Barbarito Partner, [Gary R. Botwinick](#) answers: "What you'd have to pay in taxes would depend on several factors."
