

An Email From One Of Our Delighted Clients

At Einhorn, Barbarito, Frost & Botwinick, PC, we are always striving to treat our clients with the utmost care and respect. We are always incredibly appreciative when we receive emails and notes like the one below about our associate [Timothy J. Ford, Esq.](#) and his assistant, Judy Naruszewicz:

Hi Tim & Judy,

I just want to thank you for all your help and effort in this claim. I know I'm not the easiest client but probably not the worst either!

Tim, you did a great job and I so appreciate your patience and constant support. . .

Stay well & best,

Trish
