

# Examining The Issues Of Granny Cameras In SNFS

---

August 2, 2018 | by Timothy Ford

As published in [McKnight's Long-Term Care News](#), July 30, 2018

The news headlines are bringing a modern issue to the public regarding the operation of skilled nursing homes – and that issue is the pairing of social media and the use of video cameras, known in the industry as “granny cameras.”
