

Kick-Off To Administrative Professionals Week 2019

Kicking-Off Administrative Professionals Week, our staff was treated to chair massages!

“While our firm enjoys a wonderful reputation for our dedication to our clients, we couldn’t do it without the extraordinary effort of our administrative staff. Their commitment to delivering a concierge-level experience to the firm’s clients is evidenced by the feedback we receive on a daily basis.” –[Gary Botwinick, Esq.](#), Co-Managing Partner.
